

FAIR DIRECTORS TO BE NAMED SATURDAY

Suggestion Has Been Made That One or More Women Should Be Elected.

16 VOTING PRECINCTS

Election Called Under Act of 1916 Legislature Creating Free Fairs in State.

In accordance with the law as required in house bill No. 360, of the session laws of Oklahoma, for 1916, entitled "An act providing for the holding of free township and county fairs," John R. Malone, county agent, announces that elections for the purpose of electing directors of the Tulsa county free fair will be held at the following named points in Tulsa county, Saturday, November 8:

Tulsa chamber of commerce home.
Dawson, Hedgecock's hardware store.
Skiatook city hall.
Cowles, Cowles' store, back.
Lynn Lane township, Lanesboro, Valley schoolhouse.
Red Fork township, Red Fork schoolhouse.
Wickliffe township and Sand Springs, at Sand Springs newspaper office.
Broken Arrow township, Williams Realty office, Broken Arrow.
Holea township, Williams Realty office, Broken Arrow.
Willow Springs township, Willow Springs schoolhouse, District 24.
Glenn Pool township, Glenn Pool schoolhouse.
Fry township, A. H. Hyman's residence.
Hixby township, Addison's hardware store.
Jenks township, Jenks schoolhouse.
Collingsville township, newspaper office.

A suggestion has been made to the township fair boosters by Mrs. Sada Grammett, city home demonstration agent, that it would be eminently fair and proper for one or two women to be elected to the fair board, because any fair without women's handicraft being shown would be a poor fair.

JURY AWARDS MAN \$2,965 FOR BEING HIT BY AUTO

Damages of \$2,965 were awarded the plaintiff in the suit of J. R. Hoach against John McAnally and Earl Cannon, tried in superior court yesterday before a jury, upon allegations of the plaintiff that he was permanently injured January 22, 1919, when he was struck by a motor truck owned by McAnally and operated by Cannon.

Kendall Fire Station Is Being Held Up by Charge for Property

Immediate construction of a fire station to serve the needs of Kendall is held up pending the adjustment of a controversy between property owners and the city regarding adequate compensation for proposed sites.

Members of the board will Wednesday make a complete inspection of the various sites suggested and come to some definite decision. Then, in case terms of purchase cannot be mutually agreed upon the city will seek to condemn it for public use by legal procedure.

Residents of Kendall are urging quick action in the matter as the subdivision is still practically without protection from fire hazard. The commission recognizes the justice of their claims. The owner of the lot on which the city seeks to construct the station is refusing to sell it for this purpose because he claims that the location of a fire station on this property would damage the sale of lots in his addition. The commissioners contend that this would not be the case as the station would be built in the form of a modern bungalow.

RESIDENTS PROTEST TO GAS PROXIMITY

Negroes Want Tanks of Explosives Removed, City Cannot Act on Petition.

Residents of the negro section of the city are still protesting against the location in the vicinity of their property of storage tanks for gasoline, a delegation appearing before the mayor and board of city commissioners Tuesday morning to ask what action had been taken on a former petition. It was stated that the Harvey Young Oil company is rebuilding its storage recently destroyed by fire.

Commissioner F. M. Bohm, to whom the matter had been referred, reported that the city is without jurisdiction in the matter as a permit was issued to the oil company which is complying strictly with the terms of the city ordinance. He pointed to the fact that similar tanks are to be found along the railway tracks in various parts of the city.

City Attorney Edward P. Marshall stated that the property owners have recourse in the courts providing it can be proven that the location of the storage tanks poses an undue menace to the adjoining property.

The delegation also requested that the city take some immediate steps

11 HENS IDLE; NOW LAY 211 EGGS A MONTH

Mrs. Young Almost Gave Up Raising Chickens. Then She Tried This Plan

"When I accepted your offer and tried Don Sung, I had been getting one or two eggs every other day. The next month using 50 cents worth of Don Sung, my 11 hens laid 211 eggs. I almost gave up raising chickens, but now I have decided to raise as many as I can."—Mrs. F. C. Young, Bellefonte, Pa.

Feed is too expensive to waste on idle hens. You can easily start your hens laying and keep them laying, even in cold weather. To prove it, all you need do is accept our offer as Mrs. Young did.

Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, simply tell us and your money will be promptly refunded.

Don Sung (Chinese for "egg-laying") works directly on the egg-laying organs, and is also a splendid tonic. It is really given in the feed, improves the hen's health, makes her stronger and more active in any weather, and starts her laying. Try Don Sung for 30 days and if it doesn't get you the eggs, no matter how cold or wet the weather, your money will be refunded by return mail. Get Don Sung from your druggist or poultry remedy dealer or send 10 cents for a package by mail prepaid. Russell-Dugger Co., 155 Columbia Bldg., Indianapolis, Ind.

Warm Friends
